

PROGRAM PARTNER APPLICATION 2012-2013

Mission Statement: *Girl Scouting builds girls of courage, confidence, and character, who make the world a better place.*

Empowering Girls: In Girl Scouts, girls discover the fun, friendship, and power of girls together. Through a myriad of enriching experiences, such as extraordinary field trips, sports skill-building clinics, community service projects, cultural exchanges, and environmental stewardships, girls grow courageous and strong. Girl Scouting helps girls develop their full individual potential; relate to others with increasing understanding, skill, and respect; develop values to guide their actions and provide the foundation for sound decision-making; and contribute to the improvement of society through their abilities, leadership skills, and cooperation with others.

REQUIREMENTS FOR PROGRAM PARTNERS:

All Program Partners must align with the mission and values of the Girl Scout organization and fit into one of our four program initiatives:

- **Environmental** – environmental stewardship, outdoor education and exploration, conservation, service learning, environmental protection, aquatics, and day and overnight camp experiences
- **STEM** – Science, technology, engineering, and math based activities
- **Healthy Living** – Self-esteem and confidence, healthy eating, healthy mind and body, healthy relationships
- **Financial Literacy/Entrepreneurship/Philanthropy** – Financial management, business management, community service, community support and impact

All activities must be *unique experiences for Girl Scout participants*, developed in partnership with Girl Scout professional staff that incorporates the Girl Scout core program processes, and furthers the education and leadership development of girls.

All activities must follow Girl Scout safety and policy guidelines and may require a \$1,000,000 certificate of liability insurance, depending on the nature of the activity.

(A copy of the program guidelines can be obtained upon request)

All Program Partners are required to sign a MOU agreement and maintain compliance with our safety and risk management standards, insurance requirements, and program delivery standards.
